How swiftly and unnoticed time flies! One more year has been added to glorious saga of Concord Public School. In brief 7 years span Concord has established itself as a premier institution and I consider it my proud privilege to be associated with such a prestigious institution and present the report on the year 2019-20.

This year has been a very eventful one for us. We have made great efforts to transform ourselves completely into the CCE format and have been extremely successful in most of our endeavors. Apart from preparing the children to qualify for purely academic demands, special efforts are being made continuously to enable them to face the challenges of the competitive world. It's a matter of great importance to us that the students who pass out from our portals should carry forward the values they have inherited, excel in whatever and be role models in the society,

We started this year with a colorful Praveshanaotsavam for our little ones. The children were distributed sweets and the new year was welcomed.

This year we had our first Investiture ceremony. Our school office bearers were officially sworn in by a very impressive ceremony. The school cabinet was led by our School monitor Mr. Muhammed Ashmal and Assistant monitor Ms. Heyam Nizar. The ceremony began with the guard of honor for chief guests followed by the handing over of the badges.

Students had spoken on several topics related to the specific days in the morning assembly like International day against drugs. World Population day, Earth day, Organ donation day etc. This was done to encourage the students in public speaking and to generate an awareness in students about the same.

Independence day was celebrated with a patriotic spirit by hoisting the national flag.

All the 3 festivals were celebrated with great pomp and show. Onam was celebrated by giving the students a sumptuous feast along with Maveli visiting each class to see the flower carpet. Id was done similarly distributing chicken biriyani and Xmas was wonderful with students singing carols followed by cultural programmes and a surprise visit by Santa. The students were treated with cutlets and a take home gift.

Teachers were honored by the students on September 5 by greeting them with a bouquet.

We are proud to say our little ones in making our planet more greener and better had planted almost 80 trees in our school compound. All the teachers have also taken an active part in instilling this value in them.

According to the message of our Father of nation. Awareness of cleanliness was instilled in students by cleaning the by lanes and approach road to Concord Public School. All students and teachers took an active part.

This year we had celebrated Talents week on a grand scale. All the students were given opportunity to exhibit their talents in several items.

Our students had also got through a competitive exam conducted by Discovery school super league.

All work and no play makes Jack a dull boy. The school has organized one day picnic programmes for the students. Students from 1-4 were taken to Dharmadam park and 5 -7 students were taken to Milma, Folkore Academy and Chaal beach. This was one day when all the teachers and students collectively had all the fun.

The school has always been taking initiatives to get the best talents in the sports arena. The sports programme helped us in identifying talent in sports and give more exposure to the students. Each houses with their respective colored Tshirts performed the march past and hoisted the school flag. Pigeons and balloons corse let as ail as a symbol of peace.

All the good work of the school has been possible with the cooperation of our highly qualified and dedicated faculty. Our thanks to the management committee of our school for their able guidance and encouragement.

I would like to conclude by extending our sincere thanks to all the parents and each one of you, well wishers who have lent a supportive hand down through the years, in all our endeavors to produce confident educated and capable students.
